# The 511/512 Individual PacifiCare Dental HMO Plan

*Featuring low-cost preventive care  
and a great choice of dentists*

---

**A**s a dental HMO plan member, you may ask to be assigned to any dentist on the following list, unless the office is closed to new membership (*which will be indicated.*)

PacifiCare Dental is proud to feature one of the **largest HMO networks of dentists in California.** That means members are sure to find a dentist close to work or home.

## **Quality standards you can count on**

All of our dentists are pre-screened so they meet our quality standards, and each office has been inspected by our Provider Relations staff. Offices are audited by our Quality Assurance Team every two years. Additionally, we are one of a select few dental plans to reward dentists who excel in service to our members.

## **How to select or change dentists**

Simply enter the facility number in the box provided on the Enrollment Application. To change offices, contact PacifiCare Dental Member Service prior to the 20th of the month and the change will take effect the first of the following month.

---

---

*Any current dental treatments should be completed before a change in offices is made.*

Always remember to present your dental ID card to your dentist's office at the time of service.

Should the office you select be unavailable, PacifiCare Dental will assign you to another office. Check with Member Service for additional offices which may have been added to this listing since it was last published.

## **Orthodontic referrals**

Your assigned general dentist must complete a written orthodontic referral request and submit it to PacifiCare Dental. You will be referred to a contracted orthodontist in your area.

## **Questions?**

Members with questions can contact PacifiCare Dental Member Service between the hours of 8 a.m. and 6 p.m., Monday through Friday at **1-800-22-TEETH (1-800-228-3384)**.
